There are lots of school activities happening at the moment, so it important to note dates and to ask your children for notices that may involve them and coming your way.

St Josephs School Parent/Caregiver School Statements 2018

Our school statements are being sent home with the eldest of each family this week. The Board endeavours to keep the schools annual charges at a minimum where possible, at the same time offering options for our students.

We ask that you please action payment of these statements under standard accounting practice.

If you wish to make alternative arrangements for payment please feel free to give Robyn a call to discuss.

For those families that feel they may need assistance with meeting their payment obligation, please contact Andrea.

We thank you for your co-operation.

Parent Fundraising Committee

Please take note of notices in this weeks newsletter to keep you in the know about upcoming activities. Amongst these is a Assistance Request sheet. We hope you can take a moment and indicate where you are able to support our PFC.

Thank you.
