Morrinsville District Swim Sports

E ngā mātua, Tena Koutou, Talofa, Kumusta, Ciao, Hallo, Guten

We would like to congratulate our Year 3-6 Districts Team who represented our school at the Morrinsville swimming competition held last Friday. The students swam so well and we are very proud of them.

On Sunday a team of 24 children took part in the Waipa 2km Fun Run event which was organised by St Peter's Catholic School, Cambridge. It was so encouraging to see the children and their families give up some of their weekend to represent our school.

Thank you to our supporters and athletes. Next year we are thinking about entering a parent team so watch this space in 2019.

We have lots of exciting activities and events coming up!

On Monday 19 March our school will be travelling to St Joseph's Te Aroha to celebrate St Joseph's Day, along with St Joseph's Waihi, Paeroa and Matamata. We are really looking forward to the event.

IMPORTANT NOTIFICATION: Next Tuesday, March 20th at 1.30pm

Our teaching staff are attending a paid union meeting at 1.30 pm on Tuesday 20 March.

School will remain open but the curriculum will not be taught during this time.

The children will be supervised by remaining staff. You are welcome to pick your child/ren up from school at lunchtime 12.45 pm onwards, or they can stay at school. Thank you for supporting our staff.

PFC AGM

The Parent Fundraising Committee will be holding their AGM on Monday 19 March at 7.00pm. We would love to see you there.

Last week an Assistance Request sheet was sent home from the PFC. We hope you can take a moment and indicate where you are able to support our PFC with their future activities, no matter how small. Thank you.

With this weeks newsletter please see PFC insert with an invitations plus details of upcoming events and offers.

Mufti Day

On Friday 23 March is mufti day at school. Children can wear mufti in exchange for an Easter item (for the raffle) or a quick fire item.

School Family Picnic

This is going to take place on Wednesday 28 March from 5.30 pm. We would love everyone to come along and join in the fun. The PFC are hosting quick fire raffles at the picnic. If you know of anyone that would like to donate items for the raffles, please contact the school office or drop off at school. We do need a couple of people to run the sausage sizzle so if you are interested, we would love your support and cooking skills!

Easter Week

The lead up to Easter is an extremely important time, not only for our school but also for our school Parish. We begin the week with Palm Sunday on 25 March. To celebrate Palm Sunday we would love the children to dress up in Jesus' time and attend Mass at 11am. We will be leading Father Jelo and a procession into the church. Please pop this date into your diary.

Our school will be celebrating Easter week by hosting a liturgy each day. This is where buddy classes will share the important timeline and events for Jesus before he was crucified on the cross. Times for the liturgy will be shared in the next newsletter. Please note that everyone is welcome to attend.

We are going to be involved with the Good Friday Procession of the Cross (along with other Morrinsville churches) again this year. We would love a group of students to help with our seven minute play which is 'The Arrest of Jesus'. The children would need to be available from 9.30am - 10.40am on Good Friday morning (30 March). Please contact Miss Colebourn if you are available.

St Josephs School Parent/Caregiver School Statements 2018

Our school statements were sent home with the eldest of each family last week. The Board endeavours to keep the schools annual charges at a minimum where possible, at the same time offering options for our students. We ask that you please action payment of these statements under standard accounting practice. If you wish to make alternative arrangements for payment please feel free to give Robyn a call to discuss. For those families that feel they may need assistance with meeting their payment obligation, please contact Andrea. We thank you for your co-operation

Have a lovely and kind week. God Bless Andrea Colebourn Principal

THANK YOU FOR VOTING !

We Are All Set Up To Go!

School-gen is all about inspiring the next generation of energy innovators and building an 'Energy Generation'.

Since 2006 School-gen has provided free educational resources to schools across New Zealand to get young New Zealanders interested in science, engineering, and technology, while learning cool stuff about energy – how it's made, how it works and how it can be managed. School-gen encourages the energy innovators of the future to get hands on with experiments that educate, enlighten and ultimately help students to build the skills and knowledge they'll need for the jobs of the future – whatever they may be. WE want to be a part of winning \$25,000, \$15,000 or \$10,000 of science or tech equipment to help energise our school's young minds and we

NETBALL 2018...

Welcome to the 2018 Netball Season!

This year we have big changes for Junior Netball.

We will be playing on a

Thursday night. No Saturday's this year - Wahoo!

Year 1/2 will begin at 3.30pm

Year 3/4 will begin at 4.00pm

Year 5/6 will begin at 4.45pm

We are in need of coaches for this season please.

It has been made compulsory that all coaches complete the Future Ferns courses this season.

If you have already completed these then you don't need to repeat. Please remember that for **our children** to be able to play we need coaches for them.

If you are available for coaching this season can you please contact Miss Yates as soon as possible by emailing olivaiy@stjoes.school.nz.

We also have a **BBQ Fun Evening on March 15th** as previously advertised. This is for all students Year 1-8 to learn some fun drills

and a welcome in for the new netball season.

A form has gone home to those in all year groups showing interest in playing netball this year.

BREAKFAST IDEAS

There are lots of different nutritional claims on packaging but it's best to check for yourself by reading the label. Remember to always use the 100g column

TIP: Fibre helps us feel full for longer and keeps our digestive system healthy.
