*On Line Booking Information for
Parent Teacher Interviews 2018.*

Please read this guide carefully.

Thank You.

Appointments will be at **15 minute** intervals.

Due to time constraints we can only allow **ONE** formal interview for **each child** and their **Parent / Parents / Caregivers**.
Students may attend the interview.

You will note that some times are not available for teachers. This is in order for them to complete after school duties and for a dinner break.

More time needed: if a further meeting is needed it can easily be scheduled, and will give both parties a chance to discuss your child's progress further.

Please see inside for further instructions.
