As we head into the summer term, we hope that the sun starts to shine a little brighter.

This term is packed with lots of special events; Athletics, Life Education, Scripture Reading, Mission Day, College visits, School Camps and Leadership Day just to name a few. We are so looking forward to having an action packed term! Our core value this term is Whakapono- Faith. Faith is trust, assurance and confidence in God. Living faith is shown by service and obedience to God. God will increase our faith if we ask and draw close to Him. Our thoughts and prayers go out to our school families who have faced struggles, sickness and sad times during the holidays.

If you know of anyone in our school community that needs support and a helping hand, please let us know.

Bereavement

It is with sadness that we inform our school community of the passing of Shayne King, who was one of our fathers here at school. Shayne passed away after a hard fought battle with illness.

Our special prayers and thoughts are with his wife Faylyn and his boys Kingston and Kingsley.

A huge thank you to our families who supported by contributing food for the after service on Friday. It was very much appreciated by the family and the Baptist Church where the funeral was held.

Plates and platters can be picked up from the foyer of the Church any time.

Summer Uniform

Summer Uniform is compulsory as of Tuesday 23 October. This includes sun hats. Most days, our students will be involved in athletics training so it is vital that PE uniforms are packed into bags to be worn each day. It won't be long and you will also have to start popping sunscreen on your child before leaving home.

Congratulations

Miniball finished at the end of last term. Our school had a very successful season. A special thank you to coaches, managers and supporters for helping to run the event. It is most appreciated! Congratulations to our most valuable players, Hayley Watkins, William Patten and Kate Richards. A special congratulations to St Joseph's Bulls who won division two and to St Joseph's Lakers who were division three runners up.

Our special seat

We are so lucky here at St Joseph's Catholic School and I count my blessings every day. It is kindness such as the beautiful seat that has been kindly donated by a past family from our school so that parents may rest when watching their children on the playground. We would like to thank this family for the wonderful donation and memory that they given our school.

Learning Opportunity for our School Community

What do you understand about "The Mass"?

Is it boring, irrelevant and old fashioned?

Or do you find peace, joy and strength from "The Mass"?

Come along to the latest video series of "The Mass", hosted by our own Bishop of Hamilton, to find out what "The Mass" is actually all about.

Starting **Monday October 29th, 7-8 pm**, in the school hall, Bishop Steve's video clips, will be shown, followed by a time of sharing and discussion. Everyone is welcome. The video clips will be shown over **5 consecutive Monday evenings**. Come to as many as you wish. This is a great chance to talk to others and share ideas. Or watch the series on the Catholic Diocese of Hamilton website: videos.cdh.nz For further information, contact Barbara Marneth-Rust 027 309 4362

Preparing for 2019

If your family is moving or planning to move out of the Morrinsville area or your child will not be returning to St Joseph's School for 2019, please contact myself principal@stjoes.school.nz or drop by my office **asap**. We appreciate this as this also can affect class placements and class sizes for next year so as much notice as possible is extremely important.

Desks for Sale

We have top quality desks that are surplus to requirements. They are for sale for \$20. Please send name and payment to the school office if you would like to purchase.

Have a fantastic and blessed week. Take care everyone!

Arohanui Andrea Colebourn, Principal

Reflection is vital to learning and students who engage in it demonstrate better recall, creativity and problem-solving. Students who practice something then reflect on it outperform students who simply practice without reflection. "We do not learn from experience ... we learn from reflecting on experience."

John Dewey

Reflection...

October is dedicated to the Blessed Virgin Mary, Mother of Jesus under the advocacy of our Lady of the Rosary. Our children and teachers will be taking part in this by continuing to learn about the Rosary and how to pray the Rosary. A special thank you to our Legions of Mary ladies who are coming in to our school to work with our students to teach them the important aspects of the Rosary. We are very blessed!

Sometimes your only available transportation is a leap of faith.

PLEASE remember to name items to help us avoid this problem.

If your child is missing any items please take the time to pop in and have a look. Any items not claimed by November 1st will go into the second had section and mufti ideas donated to the Op Shop. Good Luck.
