Letters will come home Wednesday 5 December via the eldest in the family. This will inform families of class placements for 2019. The children will then spend some time this Friday 7 December with their new teacher and class to support smooth transitions.

As you know we have been expecting renovations to take place in our hub space and in Room 7 and 8 to transform the buildings into flexible learning environments. We are currently waiting for the tender process to take place. At this stage the renovations are likely to occur early next year. Plans of the renovations are available to view in the school foyer.

Mission Day

Our Annual Mission Day is happening on Thursday 6 December from 11 am - 2 pm. There are lots of different stalls and activities so invite your neighbours and friends to come and join us. Please come along to support. Our proceeds are donated to the Holy Childhood Foundation, Sisters of the Mission and St Columbian Mission. Please note: **Students CAN wear MUFTI on Thursday.**

Returning school items

As we are nearing the end of the school year, it is a great time to clean out and return any school items that may be hiding under beds, in the back of cupboards and wardrobes. This includes library books, reading resources, touch shirts and any other gems found. This would be most appreciated.

Policy Review

We have two policies that are currently under review and we would like your feedback. Our Religious Instruction Policy and Improving Educational Outcomes for Māori Students are available via our school docs link. Please take some time to read them, click on the 'under review button' and give your feedback.

We invite you to visit the site at <http://stjoes.schooldocs.co.nz/> (note that there's no "www"!). Our username is **stjoes** and password **faith**. The link to school docs is also available via our school web-site www.stjoes.school.nz.
